AI Horizon

The AI Horizon program is a unique initiative designed to accelerate the adoption of artificial intelligence in mid-sized and large organizations. Selected companies will benefit from hands-on workshops to identify high-value AI opportunities and develop a roadmap for impactful projects.

WHO THIS PROGRAM IS FOR.

- Mid- to enterprise-level companies across all industries
- Availability of operational and executive teams during the workshop window
- Investment capacity to support near- to mid-term AI implementation
- Use cases with measurable productivity impact and business value

PROGRAM STUCTURE

Innovation Sprint

PHASE 1

Activity

- Collaborative workshops with key stakeholders
- AI opportunity mapping (operations, logistics, sales, etc.)
- Use case prioritization based on impact + feasibility

Outcome

- AI roadmap
- Cost-benefit estimates

Duration: 4-6 weeks

Project Plan*

PHASE 2

Deliverables

- Technical implementation proposal
- Governance and execution plan
- Budget breakdown
- ROI forecast
- Implementation timeline
- POC, if feasible.

Duration: 2-3 weeks

*Only companies with a proven integration potential after the Innovation Sprint can move to the Project Plan.

To apply, please submit your application by October 15th, 2025. All submissions must be completed through this form before the deadline.
